

6. Demonstrate the creation and management of your digital identity.

- a) Create a social media profile (LinkedIn preferred).
- b) Add a profile photo, short bio, skills, and education details.
- c) Create a simple post about "My Learning Journey in Digital Literacy."
- d) Change your privacy settings to:

a. Who can see your posts. b. Who can message you

The screenshot shows a LinkedIn profile for Nitish Kumar. At the top is a header image of a desk with a laptop and two potted plants. To the left of the header is a circular profile picture of a young man in a plaid shirt. To the right of the profile picture is a blue pencil icon. Below the profile picture is the name "Nitish Kumar" in bold, followed by a blue checkmark icon and the text "Add verification badge" in a dashed box. Below the name is the text "Attended Rungta College of Engineering & Technology Kohka-Kurud Bhilai". Below that is "Rungta College of Engineering & Technology Kohka-Kurud Bhilai" and "Bhilai, Chhattisgarh, India". Below the location is "1 connection". At the bottom are three buttons: "Open to" (blue), "Add section" (white with blue border), and a three-dot menu icon (white with blue border). Below these buttons is a button labeled "Enhance profile" (white with blue border). At the very bottom is a box with the text "Show recruiters you're open to work — you control who sees this." and a blue "Get started" link. A blue 'X' icon is to the right of the text.

### My Learning Journey in Digital Literacy ✨

In today's world, digital skills are no longer optional — they're essential. Over the past few weeks, I've been learning the fundamentals of Digital Literacy, and it has truly been an eye-opening experience.

From understanding how computers work, exploring online communication tools, practising safe internet habits, to learning basic productivity and coding skills — every step has helped me grow more confident in using technology effectively.

This journey has taught me that digital literacy isn't just about using devices; it's about using them smartly, safely, and creatively.

Excited to keep learning, improving, and applying these skills in real life! 🚀
