Section: H
Course: B .tech CSE (1st Year)
University: Rungta International Skills University

About Me

About Me

I am Nitish - Kumar a B.Tech CSE 1st-year student. Passionate about technology, innovation, and problem-solving. Curious learner exploring the world of coding and web development.

My Career Goal

GOAL: TO BECOME A SKILLED AND CREATIVE WEB DEVELOPER.

VISION: BUILD INTERACTIVE, USER-FRIENDLY, AND SECURE WEB APPLICATIONS.

LONG-TERM AIM: WORK WITH TOP TECH COMPANIES OR START MY OWN TECH VENTURE.

Why I Chose Web Development

- Web development combines creativity and logic.
- High demand and great career growth opportunities.
- Allows continuous learning with evolving technologies.
- Enables me to build real-world impactful projects.

Skills to Develop

- Technical Skills:
  - HTML, CSS, JavaScript
  - React, Node.js, Express
  - Database: MySQL / MongoDB
- Soft Skills:
  - Communication
  - Problem-solving
  - Teamwork and time management

My Career Plan

- Short Term (1-2 Year):
  - Master HTML, CSS, JavaScript
  - Create small projects and contribute on GitHub
  - Do internships or online freelancing
- Long-Term (3–5 years):
  - Learn full-stack development
  - Build a strong portfolio and personal website
  - Secure a job or start my own web solutions startup

Conclusion

- My goal is to grow as a professional web developer.
- I believe consistency, practice, and passion will guide my success.
- *"Dream big, code smart, and never stop learning."* 💻
